ASSESSMENT**

EXECUTIVE SUMMARY

2024-2025 Budget

Budgeting Procedures

Budgets are yearly expenditure guidelines for the future, balanced against an estimated revenue schedule. Budget formation is a continuous process. The data and evaluations recorded in previous years provide greater reliability to the budget estimates for succeeding years. Annually, the Board of Trustees reviews and approves the budget prepared by staff at an open Board meeting.

Mosquito and vector control programs must cope with wide biological variances. Control programs thus exhibit significant differences in major categories, such as environment, physical differences, equipment, supplies, treatment techniques and wages. Direct cost comparisons between and among districts are not practically feasible.

Category 1: Cost of Living Adjustment Recommendation (COLA) (2.0%):

The CPI (consumer price index) for the Los Angeles area for the previous 12 months was 3.9%.

Recommendation: Approve a 2.0% COLA:

It is recommended that a 2.0 % COLA (cost of living adjustment) be approved by the Board for all regular full-time employees for the 2024-2025 fiscal year.

Category 2: Benefit Assessment Charge for 2024-2025 will be \$10.25:

FY 2024-2025: \$ 10.25
charge/parcel/year

FY 2023-2024: \$13.96
charge/parcel/year

FY 2022-2023: \$14.65
charge/parcel/year

Assessment for 2024-2025:

For the \$10.25 assessment per household, residents of the District receive the following:

- Property Inspections
- Unlimited Service Requests
- Professional help from state-certified specialists
- Informational pamphlets, brochures, and downloadable content
- Staffing at your next community event
- Vector Ecologists monitoring diseases in your community
- Vector Control Technicians reducing breeding sources in your community
- Mosquito fish for your ornamental fountain, ponds, and inoperative pools
- Speakers for your next event
- School and classroom presentations by District staff

General Background:

Mosquito and vector control is necessary on a continuous routine and area-wide basis to protect the health, enhance the economic development, and maintain the recreational use and enjoyment of outdoor living.

The Los Angeles County West Vector Control District (District) was formed in 1944 and consisted of only 5 square miles. Over the next 79 years, there have been numerous annexations into the District. At the present time, the District contains 23 cities and unincorporated territory of the County of Los Angeles.

The District includes the cities of Agoura Hills, Beverly Hills, Calabasas, Culver City, El Segundo, Hawthorne, Hermosa Beach, Hidden Hills, Inglewood, Lawndale, Lomita, the westerly portion of Los Angeles City, Malibu, Manhattan Beach, Palos Verdes Estates, Rancho Palos Verdes, Redondo Beach, Rolling Hills, Rolling Hills Estates, Santa Monica, Torrance, West Hollywood, Westlake Village, and unincorporated territory of the County of Los Angeles.

The District is governed by a Board of Trustees. Each city and county within the boundaries of the District may appoint a representative to serve on the Board.

As provided for in California Health and Safety Code (§ 2200 et seq.), the District Board may take all necessary or proper steps for the control of mosquitoes, Africanized honeybees, ticks, red imported fire ants, or other vectors, either in the district or in territory not in the district but so situated with respect to the district that or other vectors may disperse from the territory into the district; abate as nuisances all standing water and other breeding places for mosquitoes or other vectors, either in the district or in territory not in the district but so situated with respect to the district that mosquitoes or other vectors from the territory disperse into the district; enter upon any property either within the district or so reasonably adjacent thereto that vectors may disperse into the district, for any of the following purposes:

(1) to inspect to ascertain the presence of vectors or their breeding places, (2) to abate public nuisances in accordance with the California Health & Safety Code and local nuisance abatement ordinances, either directly or by giving notice to the property owner to abate nuisance, (3) to ascertain if a notice to abate vectors has been complied with, and (4) to treat property with appropriate physical, chemical, or biological control measures; and do any and

all things necessary for, or incident to, the powers granted by, and to carry out the objects specified in, this chapter (California Health and Safety Code, Chapter 5). The California Health & Safety Code has defined "vector" as any animal capable of transmitting the causative agent of human disease or capable of producing human discomfort or injury, including, but not limited to, mosquitoes, Africanized honeybees, ticks, Red Imported Fire Ants, flies, mites, other insects, and rats, but not including any domestic animal. These provisions provide the authority for policies adopted by the Board of Trustees under which the District operates.

Revenue:

Following Proposition 13, the major sources of revenue for the District were property taxes and Special District Augmentation Funds. Since 1993, the District's property taxes have been reduced by approximately 60% and the Special District Augmentation Fund has been eliminated.

To alleviate the fiscal problems of the District and gain control over budgeting, to develop and maintain an adequate vector control program with sufficient staff and equipment and provide the necessary facilities, the Board of Trustees took the necessary action to place a proposition on the November 6, 1984, General Election ballot. Proposition Y, if passed by two thirds of those voting on the Proposition, would have authorized the District to levy an annual special tax of not more than \$3.00 per parcel of land within the District. The proposition received 64.72% of the votes cast. Although this vote (64.72%) did not meet the required two-thirds, it certainly did indicate the voters' support for the District's activities and the proposed improvement of the mosquito control program.

Since the November 1984 election, the law governing mosquito abatement and vector control Districts has been amended. Chapter 5, Article 4, Section 2270(l) of the California Health and Safety Code now provides that "The district may levy, by resolution or ordinance, a service charge against any or all parcels of land within the District to pay for the cost of vector surveillance and control. The schedule of charges shall be made, reviewed, and adopted annually after notice and hearing in connection with the schedule."

California Health and Safety Code Section 2291.2 authorize the District to impose an assessment for vector surveillance and control projects that are of common benefit to all residents and the zones in its jurisdiction.

On May 9, 1996, the Board of Trustees of the Los Angeles County West Vector Control District passed Resolution 1-96 declaring its intention to undertake vector surveillance and control projects of common benefit to the District as a whole and to special zones within the District and to adopt an assessment in connection with this undertaking. The Board, by Resolution 96-2, replaced the yearly service charge format with an assessment format. Under the assessment format, over 98% of all parcels within the District can be assessed an amount not to exceed \$20.00 per parcel per year. Approximately 1% of the parcels within the District can be assessed an amount not to exceed \$100,000 per parcel per year. Each year during the budget process, the Board establishes the amount of the assessment for the next fiscal year.

Los Angeles County West Vector Control District

ACCOUNT CODE DESCRIPTIONS

Salaries & Payroll Taxes

5010-5020 Salaries & Payroll Taxes: Provides for employees' salaries and associated payroll taxes that are the responsibility of the employer.

Maintenance & Operations

5030 Retirement: Provides for the employer's portion of retirement contributions.

5035-5036 Health Benefits: Provides for employees' medical-hospitalization, dental, and optical coverage.

5040 Medical (On-the-Job Injuries): Provides for the payment of medical bills for on- the-job injuries that do not qualify for workers' compensation claims.

5041- 5042 Pre-Employment Physicals: Provides for annual and pre-employment physicals. Also provides for bee venom sensitivity testing.

5051 Household: Provides for basic cleaning supplies and materials.

5070 Uniforms: Provides for the rental of uniforms for regular full-time and seasonal employees. Also provides for boots, towels, lab coats, and accessory uniform wear.

5101-5108 Insurance: The District participates in a self-insurance program with other similar agencies known as the Vector Control Joint Powers Agency (VCJPA). Provides premium payments for pooled automotive, liability (including employment, bonding, and errors & omissions), property, and workers' compensation insurance. Premiums are based on individual and group performance.

5115-5116 Vector Ecology Field & Laboratory Services: Provided for field and laboratory equipment and supplies. Also provides for outside laboratory services as needed.

5117 Africanized Honeybee Fund: Hotline & 24 hour live operator service. Provides funds for the District's Africanized honeybee hotline & 24-hour live operator service.

5118 Red Imported Fire Ants (RIFA) Program Fund: Provides for the expenses associated with the RIFA program.

5121-5127 Maintenance & Equipment: Provides for materials, parts, supplies and equipment to maintain, service and repair of vehicles; including tires, cleaning solvents, etc.

- 5131-5135 Building Maintenance: Provides for equipment, supplies, materials and equipment repairs and services to maintain a variety of mechanical appliances associated with the District's facility. Provides for contractual services for weekly/monthly servicing, maintaining, and repairing of facility related items such as janitorial, elevator, etc.
- 5151-5154 Memberships: Provides for District membership in the Mosquito and Vector Control Association of California (MVCAC), American Mosquito Control Association (AMCA), Society of Vector Ecologists (SOVE).
- 5161-5163 Training, Meetings, & Conferences: Provides for courses, workshops, seminars, and state require continuing education courses for staff and to improve staff job- related work skills. Also provides for Trustees in-lieu of expenses payment Board meetings.
- 5170 Office Expenses: Provides for all stationery supplies, postage, photocopy and computer related supplies, etc.
- 5171 Educational Materials & Equipment: Provides for materials, supplies, equipment and services for providing public education materials (brochures, pamphlets, etc.) and programs for schools, agencies, community service groups and the general public.
- 5181 Research Fund: Provides for University affiliated research projects that benefit and address public health, vector, and vector-borne disease problems within the District.
- 5182-5188 Professional & Specialized Services: Provides for a variety of professional services, including annual audit; bookkeeping; general legal counsel; computer service support; computer database program development, installation, and maintenance; security; and legal & public notifications and research projects, photographic services for public education.
- 5190-5193 L. A. County Auditor-Controller Costs & Fees: Provides for the annual anticipated expenses incurred for the collection and processing the District's levy of the general property taxes and benefit assessment. The District is charged on a per parcel basis for the production and update of the Tax Collector's records and for the collection of the assessment.
- 5195 LAFCO Charges: Local Agency Formation Commission annual charge for funding the net operating expenses for this agency.
- 5232 Insecticides: Provides for chemicals and materials needed to control mosquitoes, AHB, Imported Red Fire Ants and other vectors within the District's current scope of commitment and responsibility to the public.
- 5236 Safety: Provides for safety related items such as the maintenance and replacement of respirators, underground gas detectors, back braces, etc.
- 5238 Hazardous Waste: Provides for the disposal of laboratory, automotive, general facility waste produces, and permits.

5251-5254	Transportation: Provides for gasoline, motor oil, towing, parking fees and other miscellaneous expenses associated with the operation of District vehicles.
5261-5267	Utilities: Provides for electricity, water, natural gas, telephone, and other utility related services.
5270	Refuse Collection: Provides for the disposal of refuse generated by District operations.
5275	Communications: Provides for general communication needs such as vehicle mounted mobile telephones, Teletrac, pagers, the District's in-house website and source provider, etc.
5281	Fire and Security: Provides for the monitoring service, maintenance, and repairs of the District's fire and security system.

ACCOUNT CODE DESCRIPTIONS

Fixed Assets

Fixed assets used in governmental fund type operations are accounted for in the General Fixed Assets Group. The General Fixed Asset Group are assets which cost more than \$500 and have a useful life of over three years. The cost of these assets are charged against specific fixed asset operating funds in the year of acquisition.

It has been the general practice of the District to budget for specific fixed assets that are anticipated for each fiscal year. Additionally, general funds have also been established for unexpected additions and/or the accelerated replacement of existing fixed assets (air conditioning units, computers, etc.). General type funds in the fixed asset group that are not used are rolled over to the following fiscal year's budget.

5410	Land: Provides for the acquisition and general improvement of land for the operation of the District.
5416	Structure & Improvements: Provides for building, construction and improvements in or to existing District facility.
5420	Tanks: Provides for the replacement and addition of mosquito fish holding and breeding units.
5425	Vehicle Replacement Fund: Provides for the replacement and addition of District vehicles to the fleet.
5430	Office Equipment: Provides for the acquisition or replacement of office equipment, major appliances and fixtures that are in a state of general deterioration, disrepair, or in need of upgrading in order to maintain operations.
5435	Field & Spray Equipment: Provides for the procurement of spray tanks, specialized pressurized spray units, ultra-low volume spray units, etc.

- 5440 Equipment & Tools: Provides for the general replacement, upgrade and/or addition of equipment and tools as needed to maintain the operations current and the facility in good working order.
- 5445 Communications Equipment: Provides for the general replacement, upgrade and/or addition of communications equipment as needed to maintain the operations current and in good working order.
- 5446 Educational Equipment & Materials: Provides for the acquisition of equipment needed to produce and/or display information materials (i.e. video production, exhibit accessories, and procurement of specialized educational materials such as biological supply house models).
- 5450 Entomology & Laboratory Equipment: Provides for the general replacement and/or addition of equipment as needed to maintain the laboratory and operations
